

P R Office Is Now Closed

Dear Shipmates

Well it has happened. The old stalwarts have eventually given in. The three of us were sorry that the lack of stamina and age made it difficult to carry on, but it was bound to happen, For many years we asked for new blood but there was no response.

We should be thankful that we have lasted so long and enjoyed every minute of the reunions over the past 20 years. It has also been a pleasure to keep in touch with many members who were unable to attend the reunions.

With the demise of the Association it was agreed at the AGM that Jack, Tony and me would offer our services for the disposal of monies currently available, to certain charities

Those selected so far, have been sent a cheque to the value of £200 each, the recipients are

Help for Heroes, Coventry Sea Cadets, The British Legion The Royal Naval Association and SSAFA

We felt this was a fair distribution. We would also like to give to Lifeboats at a later date.

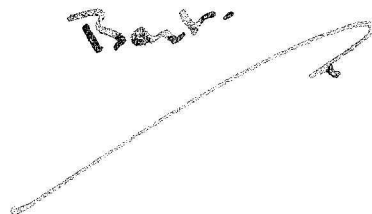

I am sending yo^e a copy of the letter accompanying our donation. To the recipients I am also sending a Brief History of HMS King Georgr V,

The three oldies say "Thank you for allowing us to represent you" and thanks for being such good shipmates both on board and ashore.

Well that's it , No more to say. The door to the office is now closed.

Bless you all.

Barb.

Dear

27th November 2010

With the eventual demise of the KGV Association in September 2010 we would like to make a donation to your Society. Please accept this from all our members.

We have managed to exist for twenty years with some members having served on board the ship in 1940.

Please find enclosed a cheque to the value of £200.

I enclose a brief history of HMS King George V. A gentle reminder of a beautiful sculptured ship which in wartime, had a crew of just over 2,100 men

Yours Sincerely

Vice President
